Suggested Day Evening Program Pack List
Yosemite Outdoor Adventures
Yosemite Conservancy

Welcome to Yosemite Outdoor Adventures!

WHAT TO WEAR:

Check the weather before you pack. Dress for mountain conditions, which means it could be stormy or hot, but either way it will get much cooler after dark. The program continues light rain or shine, so come prepared for any weather with layered clothing and waterproof outerwear, as well as good walking shoes. Be sure to dress appropriately for the season. Trails are not paved; you will be walking over varying conditions, including an occasional stream crossing if it's early season.

EQUIPMENT & GEAR TO BRING:

You'll need to bring the following gear for this class:

- Backpack with water - at least 1 liters
- Rain gear
- Bathroom Kit: toilet paper and a plastic bag for packing out
- Walking shoes
- Headlamp or flashlight

OPTIONAL ITEMS:

- Trekking poles
- Field guide
- Notebook/pencils, sketchbook, journal
- Camera
- Binoculars
- A piece of an ensolite pad or a small ground cloth is handy to sit on when we stop for lunch.

DRIVING

Also, do not forget to fill your gas tank BEFORE you reach the park. There is no gas available in Yosemite Valley. The Crane Flat Gas station (on Hwy. 120) is the only one that usually remains open in the park in the winter and has limited hours.
