Providing For Yosemite's Future

Yosemite Conservancy inspires people to support projects and programs that preserve Yosemite National Park and enrich the visitor experience.

Thanks to generous donors, the Conservancy has provided \$119 million in grants to the park to restore trails and habitat, protect wildlife, provide educational programs, and more. The Conservancy's guided adventures, volunteer opportunities, wilderness services and bookstores help visitors of all ages connect with Yosemite.

The Nature of Yosemite

A Visual Journey

Robb Hirsch Foreword by John Muir Laws

The hardcover edition sold out within 3 months! Announcing a gorgeous paperback edition, just in time for the busy park season!

Whether venturing deep into the wilderness or simply taking a few steps off a park road, Groveland photographer Robb Hirsch, a scientist by training, always brings back a captivating picture—and the story behind it. The ongoing search for the "Wow!" is his passion, and that passion comes through in each of his photographs. From his years of exploring, guiding, and studying the Sierra Nevada, Robb knows that understanding the natural processes underlying Yosemite can enhance one's connection to the landscape. This book provides that enriching experience by pairing Robb's photographs with insightful essays by the following Sierra luminaries in order to draw readers into a deeper relationship with their favorite national park.

The result is a breathtaking book that will dazzle, enlighten, and inspire a deep appreciation for the nature of Yosemite.

978-1-930238-92-3 \$27.00, paperback 144 pages, 11 x 11 inches

CHILDREN'S

Call Me Floy

Joanna Cooke

As this novel for ages 8 to 12 opens in 1876, Florence "Floy" Hutchings—bold daughter of a famous father—is stuck in a stuffy classroom in crowded San Francisco, longing to return to the majestic place where she was born and where she has always felt free: *Yosemite*!

Upon returning to her beloved Valley, Floy finds that it is changing in confusing ways: the intimate paradise she once knew is welcoming more visitors and they bring troubling attitudes about her indigenous friends and about what girls should and should not do. Yet, against this backdrop of change, Floy pursues her dream of climbing the indomitable Half Dome.

Steeped in the rich atmosphere of old Yosemite and based on real people and true events, *Call Me Floy* is about a girl who struggles against the expectations of her times and follows her dream up the steepest path imaginable.

978-1-930238-99-2 \$17.99, hardcover 192 pages, 5½ x 8¼ inches

TRAVEL

John Muir's Grand Yosemite

Mike Wurtz

Visitors to Yosemite National Park are often seeking a deeper connection to nature, and many are inspired by the example set by the renowned naturalist John Muir, who had some of his most transformational experiences there.

In sketchbooks, journals, and later articles and books, Muir conveyed Yosemite's gorgeous landscapes in drawings and prose, ultimately helping to ignite the global national parks movement. Twenty-five of the scenic places that Muir sketched are included in this unique guide designed so that visitors to the majestic park can more easily have their own Muir-inspired adventure.

With easy-to-follow directions plus a basic map for planning an itinerary, visitors can delight in the stunning mountains, waterfalls, and giant sequoias that Muir himself enjoyed, often from the same enduring spot. A brief passage by Muir accompanies each drawing, and curator Mike Wurtz's engaging commentary enlivens the tour. A sample of the locations featured:

Half Dome, Yosemite Falls, Glacier Point, Mariposa Grove of Giant Sequoias, Hetch Hetchy Valley, Cathedral Peak, Lembert Dome, and more.
