Training for Yosemite Valley, Wawona, and Big Oak Flat visitor information volunteers will be held in Yosemite Valley. Volunteers will need to provide their own transportation from their campground to the training site for day 1. Day 2 will be an orientation specific to your volunteer location. Tuolumne Meadows Campground will open at some point in the summer of 2025. Volunteers may need to camp in the Porcupine Flat Campground and to provide their own transportation to the volunteer sites until the Tuolumne Meadows Campground opens.

Review the [position description](#) and [FAQs](#) before applying through your volunteer profile. All Tuolumne dates are tentative and weather dependent.
