

ART CLASS PACKING LIST

All art supplies are included with your registration fees! A variety of seating options (sitting pads, stools, & camp chairs) are also provided for the duration of your class. Keep in mind that a portion of your class will take place outdoors! The best practice is to pack the types of things that keep you comfortable for a day outside.

Please use the list below as a starting point to pack and prepare accordingly so that you have the most comfortable, enjoyable experience possible:

- Drinking water
- Weather-appropriate attire ([check updated weather conditions here](#))
- Comfortable shoes for walking
- Sunscreen, hat, and bug repellent
- Lunch and snacks
