This sample itinerary serves as an idea to help you understand what to expect. Please be aware:

- Art Retreats meet at a different location each day. Participants must be present for the retreat introduction meeting (on the first day of instruction) so that they are familiar with getting to each painting location.
- Meeting locations may change due to safety, weather, or other concerns. Changes will always be communicated with retreat participants.
- Retreat instructors may alter the schedule to incorporate sunrise or sunset painting into the schedule (if all retreat members are interested). Each retreat day is 7 hours total (including lunch hour); if the day begins early for sunrise, the class will conclude after 7 hours.
- The main location for the art retreat is Yosemite Valley. Your instructor may propose alternate locations like Olmsted Point and Glacier Point for one of the retreat days. Staff will ensure that all participants are agreeable to the proposed location before confirming an itinerary change.
