OUTDOOR ADVENTURES

WHAT TO WEAR:

Programs continue rain or shine, so come prepared for any weather with layered clothing and waterproof outerwear, and be sure to dress appropriately for the season. In general, you should wear hiking boots for foot and ankle support on day hikes over a mile. Trails are not paved; you will be walking over varying conditions, including an occasional stream crossing.

EQUIPMENT & GEAR TO BRING:

You'll need to bring the following gear for this class:

Daypack with water

Headlamp or flashlight

Layers you can add as it will get colder once the sun goes down

Binoculars for star gazing

When there are no bathrooms, you'll need to use the woods. Plan to bring some toilet paper and a plastic bag for bringing it out with you. All trash must be packed out

We also suggest the following equipment:

Field guides

Notebook/pencils, sketchbook, journal

Camera

Map of Yosemite

Folding chair if you'd like a seat during the food portion
